take import of sugar under QGL.

(iv) Import of raw sugar has been placed under OGL, duty free.

(v) With a view to ensure that indigenous sugar is not held back by the mills, it has been decided to impose restrictions on the sale/ despatch of free sale sugar released to the mills on weekly basis, instead of the earlier restrictions on forth-nightly basis.

(vi) Gur (Control) Order 1994, has been issued imposing stock holding limits and turnover period on gur dealers in respect of gur stocks held by them. This has been done with a view to discourage speculative hoarding of gar. It is also expected to have a sympathetic sobering effect on sugar prices.

(vii) Sugar industry has been per-suaded to agree to the conversion of 2.5 lakh tonnes of freesale sugar into levy as loan on replenishment basis for distribution to consumers through the Public Distribution system.

Dues of Farmers for Payment

562. SHRI TRILOKI NATH CHATURVEDI :
DR. MURLI MANOHAR JOSHI:

Will the Minister of FOOD be pleased to state :

(a) the State-wise amount das to be paid to the farmers for the supply of sugarcane in 1992, 1993 and upto June 1994; and

(b) what steps have been taken by Government to pay the arrears to the farmers together with the details of action taken against the defaulters during the last three years?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD (SHRI KALP NATH RAI) : (a) Lists showing the State-wise position of cane price arrears, compiled on the basis of information furnished by sugar mills, relating to the seasons 1991-92 and 1992-93 as on 15-11-1992 and 15-11-1393 respectively and the position of cane price arrears as on 15-5-1994 during the current 1993-94 season are enclosed as Statement-I, H and HI.

(b) As per the Sugarcane (Control) Order issued by the Central Govera-ment under the Essential Commo-dities Act, it is obligatory on the part of all sugar mills to pay the Statutory Minimum Price (SMP) for sugarcane to growers. In the case of State-advised prices of sugarcane, which are substantially higher than the SMP, the responsibility far ensuring timely payments of cane price dues lies with State Govera-ments which have the necessary powers and field organisations to enforce such payments. Accordingly, action against defaulters has to be taken by the respective State Governments.

In order to prevent the accumu-lation of cane price arrears, State Governments have been advised to follow a mare reasonable pricing policy for cane in conformity with the Bhargava Formula. A Commi-ttee of 5 Ministers of State Governments has been constituted to mike recommiadatioas regading the pricing policy whch should *at* followed for State Advised Prises of sugarcane.

On the basis of the updated statistical compilations for the sugar season 1992-93, the arrears of sugar-cane[1] price on an All-India basis, which were *16.9%* of the total cane dues as on 31-3-1993 during the season 1992-93, got reduced substantially to 3.4% as on 31-7-1993 and further to 1.5% as on 15-11-1993. During the current season 1993-94, as on 15-5-1994, the arrears were Rs. 166,34 crores, representing 3.6% of the total does.
